

International Safe Feed/Safe Food Certification Program

Use of International Safe Feed/Safe Food Logo

The International Safe Feed/Safe Food (ISFSSF) logo must be used with the FAMI-QS logo. As such, the FAMI-QS Rules For Operators (section 9) must be followed that are listed below.

9. Use of logo

The FAMI-QS name and logo may only be used by operators that have obtained certification from a certification body recognised by FAMI-QS Asbl. The right to use the FAMI-QS logo and/or name is exclusively granted by FAMI-QS Asbl, and can be withdrawn at any moment in the event of non-compliance with certification requirements. Certified operators may display the FAMI-QS logo for the period of validity of their certificate. Use or display of the FAMI-QS logo does not constitute proof that the operator is certified.

The FAMI-QS logo is available upon request made to FAMI-QS Asbl and/or to the relevant certification body. It may be used only in its original colours and proportions. **The FAMI-QS name and logo shall not be used on products, packaging, labels, means of transport, but may be used on certificates, advertisements and brochures.**

Please submit a sample of your final item such as brochure or advertisement to AFIA for our records.
